

## ICHS

Is a local, non-profit 501(c)(3) organization, established in Indiana County, Pennsylvania in the 1970's.

### *The pets in our brochure:*

**Shakeer**—rescued on a humane call, neglected, 600 lbs under weight

**Zoltan**—rescued on a humane call—abused, brain injury & collapsed lung

**Tater**—Stray—adopted from ICHS

**Murphy**—rescued from a humane call, horrible case of neglect

**Calamity Jane**—lucky to find her way to ICHS—then adopted

ALL these pets were lucky to find a forever loving home to call their own thanks to ICHS!

**MURPHY**

ICHS is not satisfied to just stand on the receiving end of a stream of abused animals.

Our Humane Officer can issue warnings or citations and remove the abused pets from their horrible environment, transferring them to our shelter.

Legal charges can be filed, when warranted, and a hearing or trial may ensue.

ICHS is dedicated to stopping animal abuse before it occurs.

In addition to providing homeless animals with needed care in the new facility, ICHS will serve as an important educational resource to our community.

ICHS will expand its existing outreach programs and develop new initiatives to reach more kids and adults.

Where is it now?

The building that is presently ICHS was constructed in the early 50s as a cattle barn that belonged to Indiana County. In the mid-90s Indiana County Humane Society took over the county pound. The building has served us well, but the new building will be designed specifically as a home-away-from-home for the companion animals of Indiana County.

Where will it be?

To achieve its ambitious, yet attainable objectives, ICHS is constructing a new, state-of-the-art facility on Airport Road. Our new building is shown on the donation form.
