
More than 2500 animals are abandoned at our shelter each year for reasons such as:

Too big, don't want anymore, too much work, can't afford, too playful, no time to spend with them, stray, illness.

The Humane Society provides a safe place for these animals to await their new home where people will care for them as much as these pets will love their caretakers.

Providing shelter, medical care, and food for our residents is expensive and less than 25% of our annual income is received from government sources. Our animals depend on concerned citizens like yourself to support our program.

We can't do it without you..

If you are interested in volunteering your talents at the Humane Society, please contact the shelter.

Sample volunteer activities include shelter work, secretarial work, crafting, dog walking, cat socialization, and fundraising.

We are always in need of in-kind donations such as cleaning and office supplies, pet treats and toys, leashes and collars, paper towels, blankets, clorox, lysol, and dish liquid.

Please contact the shelter for more information.

Adopt a Kennel Program

Make a difference in the life of an abandoned animal through our **Adopt a Kennel Program**.

For only \$30 a month, your generosity will help provide food, shelter, and medical care to the animals in your kennel.

Your name will be placed on a plaque identifying your kennel for the term of your donation. Each month you will receive a photo of the animal in your kennel.

The Adopt a Kennel program is the “perrrrfect” gift for the animal lover or a thoughtful memorial for a loved one or pet. In addition to the plaque on the kennel, the recipient of your gift will receive a special note informing them of your generosity and a monthly reminder of your gift with a photo of the pet who is currently in their kennel.

The Adopt a Kennel program is also a great way to make a special day (birthday, anniversary etc.) even more memorable. Add an extra touch of love to your event by helping homeless animals. Honor your guests or ask them to honor you by making a donation to the Humane Society in lieu of a gift. It's a unique way to celebrate your blessings.

If you have questions or a special request, please contact Mary Ann Baran at 724-471-2088

You may also contact the shelter at 724-465-PETS.
