## Pavers for Pets

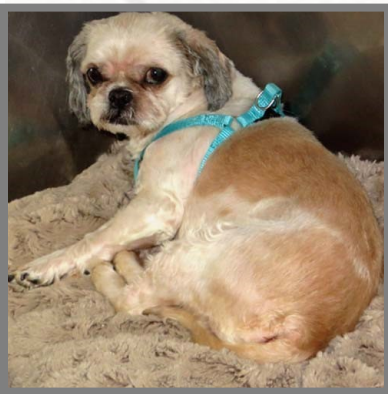

As long as the **Indiana County Humane Society** exists, no stray cat or dog from Indiana County ever lacks a temporary home. At ICHS, all lost, abandoned and abused pets are welcome.

The **Pavers for Pets** program is an ongoing opportunity for families,

friends, pet advocates, businesses, human companions, organizations and supporters of ICHS to honor or memorialize their loved one with a beautiful paver. These pavers will be placed in the Memorial Pet Garden, to be located at the new shelter at 191 Airport Road.

Your gift of a paver will not only give you a place to permanently and publicly celebrate your favorite pet or human, but proceeds from the sale of the pavers will help to defray the some of the annual cost of approximately \$350,000 to operate the 9,100 square-foot building.
